Baby Rights Chorus x2

Get upsy-daisy
Stand up!
For baby rights
Stand up!
Get upsy-daisy
Feet in
Pants go up all right
Feet out!

First we hide the feet
Where did they go, oh no
Pants are o'er your toes
Only mama knows
But they are safe and sound
But where did they go?
Then they pop out
All ten toes
Time to sing again!

Baby Rights Chorus x2

Everyone knows you get
What you want to get
But they may not know
Of the special entitlement
To you and your baby
Friends
It is called
the Baby Bill of Rights
And it goes like this . . .

You get fed what you want
You cry for attention and it's okay
You can spit up anywhere
Even on mama and dada
You are always cute
No matter what
And everyone loves you . . . especially your cute butt
You are the universe
The air, water, matter, and fire
You are loved and desired
You are loved, You are loved, You are loved
. . . oooohhhh . . . upsy daisy!

Baby Rights Chorus x2

Get upsy-daisy!
Baby Rights! Baby Rights! Baby Rights!
. . . oooohhhh . . . upsy-daisy!
