***Chris Gibson/whistling, guitars, bass guitar, and electronic sequencing***

Shall we say  
Goodnight  
To the Light  
Little One

Shall we say  
Goodnight  
To the Light  
Little One

Shall we wave to the Moon and  
Blow it a kiss  
Shall we hug a sweet hug  
And say “ahhhh . . .”

Shall we say  
Goodnight  
To the Light

Time to close our sleepy eyes  
Time to snuggle down  
To be cozy and dream  
Little and big dreams  
While the stars sparkle and dance across the sky

You will be safe in your bed  
After a sweet kiss on your head

Shall we wave to the Moon and  
Blow it a kiss  
Shall we hug a sweet hug  
And say “ahhhh . . .”

Shall we say  
Goodnight  
To the Light  
Little One

Time to close our sleepy eyes  
Time to snuggle down  
To be cozy and dream  
Little and big dreams  
While the stars sparkle and dance across the sky

You will be safe in your bed  
After a sweet kiss on your head . . .

Shall we say  
Goodnight  
To the Light

Little One
