

Delightful Angst ~ music for parents ~ the early years

Sleep [the parental version of I Was Made for Lovin' You by KISS]

Arranged by Chris Gibson/Additional lyrics by Mary Beth Abel
© & © 2021 Delightful Angst Publishing ASCAP

Mary Beth Abel/vocals
Chris Gibson/guitars, bass guitar, and electronic sequencing

Ooooooh yeah

Do, do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do, doooooo

Sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep
Sleep, sleep, sleep, sleep go to sleep!

Tonight, will I get any sleep?
It's a complete unknown
That worries me every time that you peep
But tonight, I will be there no matter what
'Cause baby, I was made for you
And baby, you were made for me

I was made for loving you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me?

Oh baby, please sleep 'til morning
That would be magical
To be in dreamland, not in screamland
But tonight, let's make that come true
'Cause baby, I was made for you and you for me
But we both need sleeepppppppp

I was made for loving you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me?

I was made for loving you, baby
You were made for lovin' me
And I can give it all to you, baby
If you sleep through the night

Oh, oh, oh, oh, oh

I can't get enough of sleep whoa, whoa, whoa, whoa, whoa
I can't get enough . . . of sleep . . . oh, oh, oh, oh, oh
I can't get enough

Sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep
Sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep

I was made for loving you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me?

I was made for loving you, baby
You were made for lovin' me
And I can give it all to you, baby
If you sleep through the night

I was made
You were made

Now, it's time to go to sleep . . .

Yes, it's time to go to sleep . . .

Now, it's time . . . to go . . . to sleep . . .

Sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep
Sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep, sleep
