***Mary Beth Abel/spoken word and vocals***

***Chris Gibson/vocals, guitars, bass guitar, and drums sequencing***

***Meleah, Charlie, and Nina Gibson &***

***Taylor and Kaden Sherman/backup vocals***

*MB: Hi sweetie, do you need to have your diaper changed?*

*K: No*

*MB: Are you sure?*

*K: No*

*MB: Well, I think we should go take care of your diaper. You'll feel so good and fresh afterward. And then, when we're done, we can get a snack. Doesn't that sound nice?*

*K: No*

*MB: Hmmm . . .*

*K: Hmmm . . .*

*MB: I guess I need to change tactics . . .*

*MB: Okay, let's go! I'm scooping you up! It's Time to Change Your Diaper!*

Don't know why

But every time

Since you were small

And wee alive

You acted like coyotes were goin' after you

Goin' after, after you

Changing you

Was so freaky and wild

If it was me

I'd be the same

I'd be wailing and moaning, just like you

Like you, just like you

I would SCREECH and CRRYYYY

*And act like the world was ending . . .*

*Diaper Chorus x2*

It's time to change your diaper  
It's time to get clean and fresh  
It's time to change your diaper  
Looks like you made a mess

K: Wahhh!

*MB: Oh dear, I think I need to be an octopus for this job. I need eight arms! Oh sweetie, please be still.  
Let Mommy change your diaper.*

K: Wahhh!

*MB: Do you want Dada to help us?*

K: Wahhh . . . Yesss . . .

*MB: Honey? Honey! Heeelllpppp*

*Chris: I'm here to save the day!*

Not getting better

It's still the world's worst thing

But, that's okay 'cause as time goes by

Mama-Dada gettin' punk and tough

It's okay to be

"Talkative"

Even if it bursts an eardrum

It's okay to be a wiggle worm

'Cause Mama -Dada are punk and tough!

It's better to be free, to have some air down there, to clean up the poops and the pee, to take away the red, prevent it with some A+D

*Diaper Chorus x3*

Oh yeah! We changed your diaper!

Oh yeah! We're clean and fresh!

Oh yeah! We changed your diaper!

No, No, No, No, No, No, No, No More Mess!

*MB: Yay! We did it! Look, sweetie, we're all done!*

*K: All done!*
