**C-7: (a.k.a. C-Bass a.k.a Sebastián Gómez)/saxophone**  
**Chris Gibson/guitars, bass guitar, and drums sequencing**  
**Mary Beth Abel/backup vocals**

*Hey! Hello, Seattle! Yeah, ya know, I haven't slept in seven years. But it's been a blast . . . it's been all worth it. Let's play a little game of Peek A Boo. Let's go!*

Hey, can you see the clouds up there?  
They're hiding something --- Not just anything  
It's a great big star  
We call the sun --- Oh how fun  
The sun plays peek a boo  
Just like you

*Peek A Book Chorus*  
Peek a boo sun!  
Peek a boo you!  
Peek a boo me!  
Hey! Let's hide again!

Peek a boo sun!  
Peek a boo you!  
Peek a boo me!  
Hey! Let's hide again!

Peek a boo sun!  
Peek a boo you!  
Peek a boo me!  
Hey! Let's hide again!

Peek a boo sun!  
Peek a boo you!  
Peek a boo meeeeeee!

Under a blankie  
Behind a chair  
I can't seem to find you anywhere  
I see a toe, I see some hair  
I see an ear or an eye peeking there  
Maybe if I look under this?  
What is that wiggle?  
Is it a fish?

*Peek A Boo Chorus*

Up in the sky, peeking through  
A blanket of clouds --- the sun likes hiding too  
It loves to play, without a care  
It's always there  
The sun plays peek a boo  
Juh-Juh-Juh-Juh-Just like you

*Peek A Boo Chorus*

I feel the warmth  
I have a clue  
I think I know -- Where to find you  
Clouds hide that big star  
But I know where you both are  
Ready or not, here I come  
To seek and find  
Your smile  
Like the sun

Hey, let's hide again  
Hey, let's hide again  
Hey, let's hide again  
Heehhy! Let's hide!

*Peek A Boo Chorus*

Hey! Hey! Hey! Hey! Hey!
