Biggie Blanket Chorus

I'm gonna wrap you up in a biggie blanket
And keep you toasty warm
I'm gonna wrap you up in a biggie blanket
And hold you close, what's more

I love you
You're in my embrace
I love you
'Til there's no space
Between us
Between us
Between us
There's just love

Come on baby, let me wrap you up in this, biggie blanket
You'll feel all safe and good
Tell this bug to go away
Leave your body alone
No more feelin' bad
Get some rest, snuggle down
Baby, let me wrap you up, in this biggie blanket

Come on baby, let me wrap you up in this, biggie blanket
It's time for nighty-night
You've been playing hard all day
Let's give your body a rest
Slow it down, let's cuddle up, no more dancing all around
Baby, let me wrap you up! In this biggie blanket

Biggie Blanket Chorus

Come on baby, let me wrap you up in this, biggie blanket
So we can go outside and see the stars
I'll hold you tight while we both look up
Marvel at what we see
We'll be so warm to infinity
Come on baby, let me wrap you up

Biggie Blanket Chorus
